Morning Steven and Erin:

Please see attached letter to Jillian. I've just put my touches on it and you'll see some redline w/a few easy questions to my team. While they fill in those matters please see the general letter which we need to send to Jillian today (ahead of our internal deadline!) as we'd like the letter to be in Jillian et al's hands before our July 5th 9 am meeting w Senator Hassan to tour the site.

Bryan and Jim -

Can your offices work on a letter response to the letter that Jillian gave to me - at our DC follow up we set an internal goal of getting back to her in about 30 days from when the letter was delivered to us.

Thank you so much. That is very encouraging to hear!

I did see that, thank you. The community seems very interested and excited about the upcoming regional summit, so helpfully attendance is strong.

I wanted to follow up regarding what name you like to go by. I heard several people refer to you as Alex during your visit, but do you prefer Alexandra, or even Administrator Dunn? This suddenly occurred to me and I wanted to ask you personally!

Thank you,
Jillian

Good afternoon Alex
and Erin,

I hope you both had a
lovely early June
weekend. We got to
enjoy all three of our
daughters in a dance
recital on Saturday...
good stuff.

I am hoping to get an
update from your
meeting on Thursday
in DC to process our
June 4 discussions in
NH. I am looking
forward to hearing
from you!

Take care,
Jillian
